

Xi Wine Safes

Premium storage for WineBanks & exclusive wine cellars

Xi Wine Safe – Premium storage for WineBanks & exclusive wine cellars

Xi WINE SAFES

Premium storage for WineBanks & exclusive wine cellars

The Xi Wine Safe was developed specifically for **WineBanks, high-end holiday properties and chalet resorts offering luxury hospitality** – anywhere where wine needs to be not only stored safely, but also deliberately showcased. It combines technical perfection, maximum flexibility and timeless aesthetics in a durable system.

The modular safes allow for **variable compartment divisions** (e.g. 2/3 + 1/3, 1/2 + 1/2 or three 1/3 compartments) and **can be adapted precisely to the needs of deposit owners, companies and private wine lovers**. This creates the right solution for every use – from compact entry-level to sophisticated collections.

Number of bottles per 2/3 compartment:	up to 160 0.75 L bottles
Number of bottles per 1/2 compartment:	up to 111 0.75 L bottles
Number of bottles per 1/3 compartment:	up to 62 0.75 L bottles

Equipment of the compartments:

2/3 compartment is equipped with a pull-out Xi Cuvée full extension, an adjustable Xi Etagère level and a fixed shelf. 1/2 compartment is equipped with a pull-out Xi Cuvée full extension, an adjustable Xi shelf level and a fixed shelf. 1/3 compartment is equipped with a pull-out Xi Cuvée full extension and a fixed shelf.

The tried-and-tested **Xi System** is used inside: all Xi rack levels, drawers and pull-outs can be fully integrated. The bottles are stored at the **optimum Xi storage angle, with the label facing forward**, ideal for long-term ageing and quick orientation. **Integrated, accentuated interior lighting** stylishly showcases the wines and turns every safe into an architectural highlight – functionality meets design.

Your advantages at a glance:

- **Individually configurable compartment sizes** for maximum flexibility
- **Fully compatible with all Xi Rack accessories**
- **Optimal storage and presentation** in the Xi System
- **High-quality interior lighting** for effective presentation
- **Combination lock system** for secure, individual access

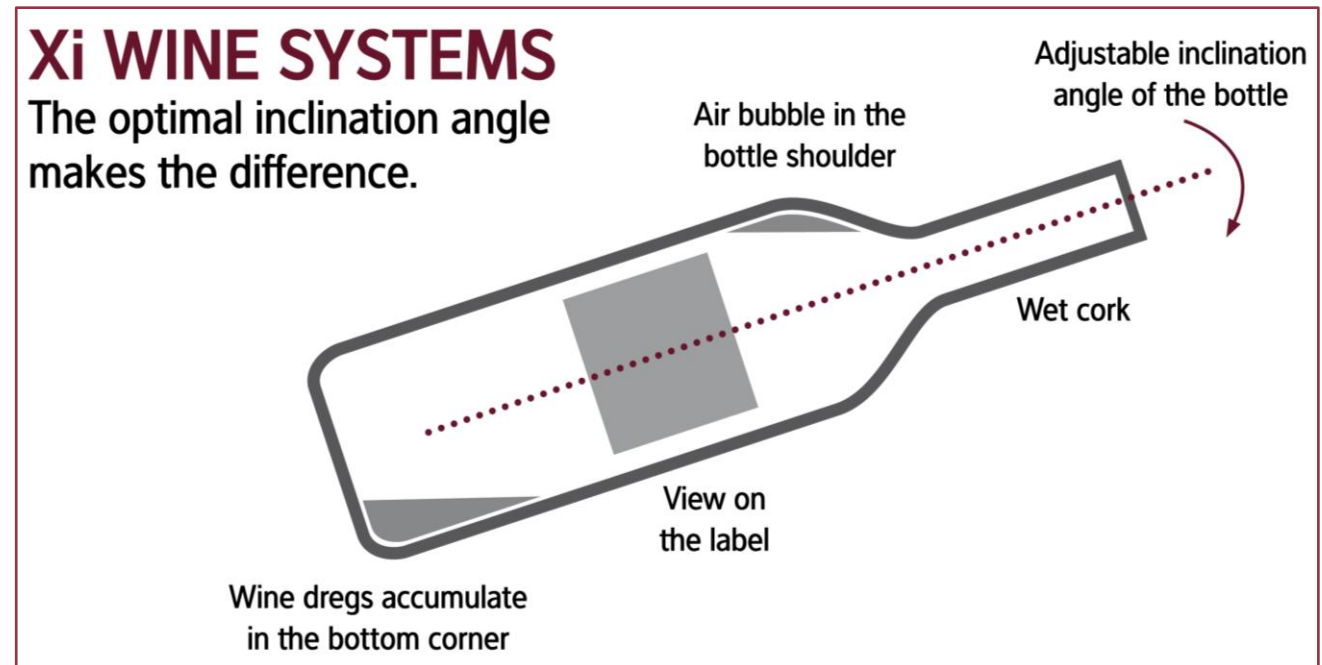

Whether you are a WineBank operator, host of exclusive holiday accommodation or chalet operator in tourist regions:

With the Xi Wine Safe, you can create a premium storage facility that showcases quality, builds trust and leaves a lasting impression on customers and guests.

Xi-Wine systems: simple & ingenious

The patented *X-idea*

- **Perfect, adjustable tilt angle for all bottles:**
 - Moistened cork at any time, air bubble in the bottle shoulder → Long-term storage without loss of quality
 - Wine dregs accumulated in the bottom corner → Easy to decant without waiting
- **Perfect overview:**
View on the labels to avoid extensive searching
- **Efficiency:**
 - Biggest storage capacity of all systems on the market
 - Direct access up to the last bottle
- **Universal system:**
Suitable for 99% of all bottle types & sizes (until 6 l)
- **Modular principal:**
Adjustable and expandable according to (changing) needs; flexibel, combinable accessories
- **European high-quality product:**
Austrian invention, European production, dampproof product:
Ideally suited for moist cellar rooms through galvanized and powder coated steel
